HOW WE WORK

A seamless process from first conversation to final delivery

01

Let's Connect

Understanding the couple's vision, traditions, expectations, preferred style and event priorities.

02

Planning

Building the event timeline, identifying key moments and coordinating coverage requirements.

03

Capturing

Documenting the celebration with creativity, precision and a candid/cinematic approach.

04

Delivering

Curating and editing photographs and cinematic films for a polished final experience.

CREATIVE APPROACH

- Candid and cinematic storytelling with artistic discretion.
- Focus on authentic emotions, relationships, expressions and meaningful details.
- Refined editing and colour treatment for a timeless, magazine-quality finish.
- Coverage designed around the event schedule and agreed scope.
- The team may exercise creative liberty in selecting angles, moments and visual treatment.

OUR FOUNDER

Behind every beautiful frame, there is a creative vision.

Photography is more than capturing smiles — the founder's focus is on preserving emotions, relationships and timeless memories, drawing on years of experience in wedding and lifestyle photography with an emphasis on creativity, passion and attention to detail.

"Every celebration should feel personal."

- Creative direction rooted in emotion and storytelling
- Strong attention to composition, light and small details
- Comfort-focused interaction with couples and families
- Hands-on creative supervision for a consistent final collection

WHY COUPLES CHOOSE US

"Our wedding was filled with rituals and back-to-back events, and they didn't miss a single moment. The photos and videos tell the story so beautifully that we relive every emotion each time we see them."

— SUMIT PALIWAL

Commercial & Operational Guidelines

- 01 Work Timings** — The team will be present for stated events at stated times/venues, generally 8–12 hours on the wedding day. Coverage beyond midnight and/or next-day Vidai till 9am counts as an additional day.
- 02 Artistic Discretion** — Candid & cinematic work follows the team's distinct, evolving style with creative liberty in framing and editing. Food/eating areas are not covered.
- 03 Use of Images & Videos** — Delivered for the client's private, non-commercial use. Luxaura retains rights to use images for publicity/promotion unless the client requests otherwise in writing in advance.
- 04 Delivery Timelines** — Processed photos and videos are handed over within 10–12 weeks from receipt of final payment.
- 05 Data, Songs & Editing** — Client to arrange a minimum 1TB SSD for data handover. Songs must be shared before/immediately after the wedding. One round of video changes is included; extra editing is ₹2,000/min (video) or ₹60/image (photo).
- 06 Substitution** — Team members may be substituted in case of illness or unforeseen circumstances, always with a competent professional.
- 07 Exclusivity** — This is an exclusive engagement; any additional photography team must be disclosed in advance and must not interfere with Luxaura's team.
- 08 On-Site Requirements** — Client to provide reliable power connections, a stable stage platform, lodging, local transport and food/beverage for the team across the coverage days.
- 09 Travel** — Travel expenses are borne by the studio; lodging & local transport are arranged by the client.
- 10 Termination** — If terminated by the client, fees already paid as of the termination notice are forfeited. Notice must be given in writing.
- 11 Booking Amount** — The booking amount specified in the payment terms is strictly non-refundable.
- 12 Firearms Policy** — Zero tolerance for firearms/ammunition at any covered event; the team will leave the venue immediately if encountered.

This is a condensed summary. The complete terms & conditions document will be shared and signed alongside the booking agreement.
